

Why Choose Plum Creek?

Plum Creek Supportive Living beckons seniors and their families with its irresistible blend of affordability, friendliness, and close-knit community. Here, residents discover not just a place to live but a home filled with warmth, support, and genuine connections. Our vibrant community offers three delicious, restaurant-style meals served daily, a full calendar of engaging activities, and inviting rooms with welcoming common areas. From live performances and creative arts and crafts to social clubs, outings, and a convenient on-site store, every detail is designed to make life fulfilling and comfortable. Our mission is simple: to help maintain independence while enhancing quality of life because here, every smile feels like family.

- Therapy offered 5 days a week for those who qualify

What is Supportive Living?

Supportive Living combines the independence of apartment-style living with the security and assistance of personalized care services. It is designed for individuals aged 65 and above who may need assistance with daily activities and offers a safe, social, and engaging environment at a more affordable cost than traditional senior living, while encouraging residents to live life to the fullest.
